

NES | VISUAL THINKING

### **Salesperson / Business Development Signage, POS and Plant**

NES is one of the UKs leading manufacturers of retail and graphics displays, signage schemes, LED lighting and light walls, architectural facades, rainscreen cladding & architectural graphic features. Based in Essex and working from our 100,000 sq ft facility we have worked on prestigious architectural and display projects both in the UK and Europe.

We are looking to recruit a salesperson within our Sales department. The role will require you to introduce new business whilst maintaining and growing existing accounts.

This position is primarily involved within the POS digital print, signage and exhibition graphics side of the business. The ideal candidate must have current working experience within our industry and be able to work proactively to obtain new customers. The ability to work under pressure and excellent communication skills are key to the success of the individual.

Self motivated with bags of enthusiasm, this role would suit someone looking to progress their career in a fast moving, design led company.

If you feel you could contribute to the success of NES and enjoy a challenge please send your CV and a covering letter to Jon Baker.

NES, 15 Clough Road, Severalls Industrial Estate,  
Colchester, Essex, CO4 9QS
